P. No. 1941/S2

Office of the Director of Food Supplies in Mysore,
Bangalore, Dated 24th February 1945.

The Secretary to the Government of Mysore,
Development Department (Supplies),
Bangalore.

Sir,

Subject: K.S.Varadarajan - Arrears of pay - sanction of -

I have the honour to forward herewith a copy of letter No.El.388-C.1871/44-5 dated 23-1-1945 on the above subject received from the Rationing Officer, Bangalore City and to state as follows:-

2. A recommendation was made to Government for the establishment of 6 sub godowns cum emergency depots in the Mysore City, in this office No.E2394/43-44 dated 4-10-1944, stating that the Rationing Officer had already taken action to entertain the requisite staff. K.S.Varadarajan was one of the Revenue Inspectors so appointed on Rs.50/- plus 10/- from 11-5-1944 to 20-12-1944 in anticipation of sanction of Government. Sanction was accorded to the above proposal in G.O. no.3D.8255-43/A.36-44-4 dated 12-12-1944, but with retrospective effect: i.e., with effect from the dates the sub godowns were opened.

3. Although the official's pay was not actually drawn during the period from 11-5-44 to 20-12-44 at the rate of Rs.50/-, he was given an advance during the period at the rate of Rs.50/- p.m., by the Rationing Officer, Mysore, pending formal sanction of Government for the proposal.

4. After receipt of the Government order dated 12-12-1944, sanctioning the appointment with retrospective effect, the official's pay was claimed on a supplemental bill at Rs.50/- p.m. in order to recoup the advance. The Auditor and Accounting Officer has however disallowed a sum of Rs.115-3-0 from the bill on the ground that the order sanctioning the establishment was subsequent to 27th May 1944 and that his pay was not actually drawn at the rate of Rs.50/- before 27-5-1944, as contemplated in the Government order of 25-9-1944.

5. As the official was actually on duty as special Revenue Inspector from 11-5-1944 and as he has been advanced an amount equal to the full pay of the post he was appointed to, and the Government have also sanctioned the post with retrospective effect, the amount paid from an advance head perforce in the first instance may be treated as salary drawn. In any case, as the disallowance of Rs.115-3-0 would hit very hard on the poor official, I request that sanction of Government may be kindly obtained to allow him to draw as special case, the full pay of the post, Viz., Rs.50/- with effect from 11-5-1944.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Food Supplies.

Letter No.El.388-C 1871 dated 23-1-1945 from the Rationing Officer, Bangalore City.

Subject K.S.Varadarajan - Arrears of pay.

In submitting herewith a memo of disallowance sent by the Audi and Accg. Officer, cutting, with retrospective effect, for 7 months salary claimed on behalf of Mr. Varadarajan at the rate of Rs.50/- p Rs.10/- by Rs.15/- per month, I have the honour to state as follows:-

It is seen from the Last pay certificate of the official enclo that he was directed to work as Spl. Revenue Inspector from 11-5-19

..t.o.

to 20-12-44 in anticipation of Government sanction. The order sanctioning the post has been issued on 12-12-1944, a copy of which is enclosed herein for favour of ready reference. It will be seen there from that each subgrodown has been sanctioned a Revenue Inspector on Rs.50/- plus 10/- per mensem with retrospective effect.

3. For want of formal sanction by the Govt. and since such poor officials are not expected to live without pay, the Rationing Officer Mysore city has been advancing him Rs.50/- per month since his appointment and the official has so far drawn an advance of Rs.358-14-0 which has to be recovered from his pay. Since the G.O. of 12-12-44 definitely sanctions the post with retrospective effect and the official has been working as such from 11-5-44 and Rs.50/- per month has been advanced to him on several occasions and the pay of Spl. Revenue Inspectors had been recommended to be fixed at Rs.50/- plus 10/-, the official has, so far, genuinely believed that he would be paid Rs.50/- plus 10/-. The enclosed memo of disallowance cutting his salary by Rs.15/-per month for the last 7 months has driven the poor official to desperation.

4. I discussed the question of the disallowance with the Auditor and Accg. Officer. He appears to take the view that even though this official joined duty on 11-5-44, he is not entitled to draw Rs.50/- plus Rs.10/- on the ground that he has not so far drawn Rs.50/- plus 10/- and contends that the issue of advance of pay in anticipation of Government sanction does not tantamount to drawing of pay.

5. Having extracted work from the official throughout these 7 months, leaving him under the impression that he will draw Rs.50/- plus 10/- to cut his salary with retrospective effect by Rs.15/- per month, is rather too hard, whatever might be the technical correctness of the Auditor's view, particularly, when the G.O. of 5-12-44 sanctions the post with retrospective effect from dates prior to 27-5-1944.

6. The order of 25-9-44 relating to the calculations of salaries of officials posted to the Food Department specifically says "this order will not affect the higher rates of pay or salary drawn by the officials already in the Department prior to the Govt. order dated 27-5-1944". That this official was already in the department prior to the G.O.No. SD.8117-20/A.8-43-22 dated 27-5-44 is undoubted. To say that the date 27-5-1944 is the date, before which the salary contemplated therein should have been actually drawn, does not appear to me to be correct, for the word "drawn" has to be considered as applicable more to the officials already in the department, than to the date 27-5-1944. So long as an official was in the department by 27-5-44, his pay or salary whatever it was, prior to 27-5-44, ought to be the deciding factor and the circumstance that the pay of one month is due to be disbursed on the 1st of next month, does not, in my view, appear to affect the merits of the case.

7. In these circumstances, I am of opinion that a fair interpretation of the Govt. Orders of 25-9-44 and of 12-12-1944 (copies enclosed) entitles this inspector to draw his salary at the rate of Rs.50/- plus 10/- for the period during which work has been extracted out of him. In the alternative, I would plead that the salary in this case may kindly be passed as a special case at the rate of Rs.50/- plus 10/- as the poor official was all along under the impression that he would be paid Rs.50/-plus 10/- and recently shifted to costly Bangalore city to which place he has been transferred. It would be very hard to cut his salary so drastically, with retrospective effect for over 7 months, deducting Rs.15/- per month from out of a salary of Rs.60/- which he had honestly believed he would be paid. This is a case deserving your special sympathy.
